The Illinois Soldiers' and Sailors' Home is located on a tract of 222 acres, adjoining the City of Quincy on the North. The ground is on a plateau, partly wooded, lying between two creeks and affording a beautiful site for such an institution. The Wabash and C. B. & R. R. have a station on the premises. The Home was opened in March, 1887, since which time up to October 1st there have been 4,116 admissions, and there are now on the rolls 1,645 ; 1,332 present and 313 absent. There are seventeen brick cottages. The boiler house, general kitchen, store house, laundry, machine shop and the Administration building are of stone. The hospital is one of the most complete institutions of its kind in the country, built of brick, and has all the modern appliances necessary.
